Jerry, could you look at this and give me any comments you have. Also, if there are other questions you think should be included, let me know and I'll take a stab at developing an answer for those as well. Thanks, den.

Cecil, There's probably more questions that I didn't think of but if you could take a look at this and give me any comments I'd appreciate it. After that I'll share with Ron and Jennie and whomever else, I guess Mick and OEM as a minimum, for a further review. Thanks, den.
